

The diagram is an electrical plan for a house, showing the layout of rooms and the placement of electrical components. The rooms are labeled: BATHROOM, KITCHEN, and BEDROOM. The plan includes a central panel in the Kitchen. Electrical components are represented by symbols: switches (S), outlets (O), and light fixtures (L). Wires are shown in red, green, and blue, connecting the components. The plan also includes a title block with the text 'ELECTRICAL PLAN', 'Date: 17/10/2023', and 'AutoCAD'.
